

EURECCA-CC3

**EUROPEAN
CONSENSUS
CONFERENCE**

COLON & RECTUM

**PERUGIA
13-15 DECEMBER
2012**

**Consensus Conference
Colon & Rectum
13-15 December 2012**

The European Consensus Conference Colon & Rectum is organised to uniform European Cancer Treatment Guidelines. State of the art consensus development will be based on survey and case based discussion. Surveys will be online accessible before the meeting. Results of the surveys will be presented and discussed using the Delphi Method for Guideline development. Attendants from all countries are welcome to participate.
